B-PLAN 2015: 'An On-Line Business Plan Competition Focusing on Innovative and Eco-Friendly Business Ideas'

Having a cohesive B plan is one of the first step in starting a business, entering a business plan competition and possibly winning cash prized for your business idea and having mentors to guide you through the process can keep you motivated at an all-time high and help you finish every section of your plan. Keeping this in mind, EDP Cell, DIAS organized a B plan competition 2015- "online business plan competition focusing on innovative & Eco- friendly business ideas"

The competition was designed to give collegiate entrepreneurs a real-world experience to finance their business plan and receive funding.

Competition highlights include real world opportunities to learn what it takes to successfully launch a new business and a chance to receive mentoring from investors and experienced entrepreneurs.
