(Approved by AICTE & Affiliated with GGSIP University for B.Com(H), BBA & MBA Programmes)

(An ISO 9001:2015 Certified Institution)

STF AUDITIONS

Every year, freshers in DIAS compete for a place in the top-performing college cultural societies. These societies hold auditions for freshers to ensure that they get the best pick.

Each cultural society of the institute conducts proper auditions to select the freshers, because the new joiners would be competing not only in their own college but also in inter-college competitions. So, it's an added responsibility. Some of the eminent societies of the college are Venom-The Dance Society, Tarang-The Dramatics Society, Aagaz-The Dramatics Society, Petry Society and Photography Society.

Being a member of cultural societies instills in students a renewed sense of confidence and responsibility. It has been observed that each session institute gets some amazing newcomers who were talented but couldn't present themselves or their talent confidently. After a year of active participation in co-scholastic and curricular activities, they emerge as having stronger and more vibrant personality.

The college lays special emphasis on all-round development of the students and by being an active member of the cultural committees' societies students develop and pick up skills that are important for their overall grooming.
