INTRA COLLEGE SPORTS COMPETITION

Sports and athletics have been an integral part of DIAS for years, since its inception. Taking a step further, in 2018 DIAS organized its Intra College Sports Meet and since then each year it is celebrated with aplomb and spirit. The event commences with the hoisting of the flag by the chief guests and the oath administered by the proctor, after which, the chief guest declares the meet open.

The inaugural function of the Annual Sports Meet of DIAS is held every year. It emphasizes that active sports and upholding of our proud nation's identity through its players, are integral to the system of education. As sports teaches not just a sport but excellence, perseverance and also human values.

The various sports and games competitions in the campus culminate in the prize distribution at the Valedictory and Prize Distribution Functions.
