TRIALS FOR SPORTS-EVENT (BADMINTON, VOLLEYBALL, CRICKET, CROSS-COUNTRY, ATHLETICS, FOOTLBALL AND VOLLEYBALL)

The process of conducting trials is tedious and long and requires the candidates to go through the requisite trials in their preferred discipline. A notice was circulated about the trials with the contact information of the student coordinators. The broad categories of sports in which participants could apply were: Badminton, Volleyball, Cricket, Cross-Country, Athletics, Football and Volleyball. The process began with the registrations of the participants with the assigned student coordinators.

The objectives of conducting sports trails were: -

- ☐ To develop awareness about importance of sports and games in one's busy life.
- ☐ To participate in activities, helpful in one's Physical growth and development.
- ☐ To explore the hidden talent and athletic strength in the students.
- ☐ To develop positive outlook towards life.
- ☐ To develop an all-round balanced personality.

The trials were conducted at Sachdeva Public School on various dates from 12th September to 20th September 2018. The students during trials had put up their best foot forward and gave a splendid performance in order to make a spot for themselves in the final selection list.

The games not only fostered discipline and team spirit but also left memories to be cherished by all the students.
