(An ISO 9001:2008 Certified Institution)

World Students' Day (Debate Competition)

For good ideas and true innovation, you need human interaction, argument, and DEBATE!!!

It is to be understood that people need to speak their minds openly, debate your opponent's disagreements and set yourself apart from the ordinary people who debate in narrow confines.

DIAS organized an opportunity to the students to participate in Dr. Kalam Debate Competition on the occasion of World's Students Day.

Dr. Kalam Debate Competition-2015 served as a platform for highly competent enthusiasts to showcase their knowledge and presentation skills. Debate does not only teach a person how to articulate his thoughts, but also hone essential life skills.

Which day will be better to conduct "The biggest Battle of Brains" other than Birth anniversary of Dr. A.P.J. Abdul Kalam? Unarguably Dr. Kalam was the most loved President, scientist who made India proud with his missile defence programme. But his favourite job was teaching and that's how he wanted the world to remember him. Dr. Kalam was indeed a gem the nation will treasure forever. It is only fitting that the world remembers October 15 as World Student's Day as a mark of respect to the man.
