DIAS Technology Review
The International Journal for Business and IT

GUIDELINES FOR CONTRIBUTORS

TYPES OF CONTRIBUTION

The Journal accepts for publication the following:

- Research Articles
- Book Reviews
- Literature Review/ Critical Survey in a Specific Research Area
- Case Studies
- Abstracts of Doctoral Dissertations

The Journal tries to maintain a balance between purely research-oriented papers and those derived mainly from the experiences of practitioners involved in the different areas of Management and Information Technology. Preference is given to application oriented research papers and theoretical papers of extreme originality and liable to lead to further research work useful from both theoretical and practical point of view.

GUIDELINES FOR RESEARCH PAPERS

The paper should contain the following items in the order shown below:

(i) A cover page showing title of the paper, author's affiliation, full address, telephone number, fax numbers and e-mail.

(ii) Abstract of not more than 150 words outlining the purpose, scope and conclusions of the paper should be presented on a separate page immediately preceding the text. The abstract should explain why the readers should consider these results important.

(iii) The text should be suitably divided under headings and sub-headings to elucidate the text to emphasize the importance of various sections. The article should not normally exceed 6000 words/ 16 -20 pages and should be in clear and concise English. It should be typed in 12-point font on one side of A- 4 paper in double-line spacing with wide margins.

(iv) Acknowledgement, if any must be included.

(v) Only those references, which are actually utilized in the text, should be included in the reference list. In the text, references should be cited with the surname of the author(s) along with the year of publication, all in brackets. References should be complete in all respects and alphabetically arranged.

(vi) The permissible plagiarism limit in the research paper is up to 10%.
