FEEDBACK FROM FACULTY:

Faculty members are the driving force of higher education, and their importance extends across various dimensions. From influencing the academic, intellectual, and personal development of students, contributing to the advancement of knowledge, to shaping the overall character and reputation of the institution. Their multifaceted role goes beyond traditional classroom teaching, encompassing research, mentorship, and service to create a rich and vibrant academic community. The faculty at the Institute believes that the curriculum is updated from time to time so as to better equip students with the latest Industry trends and they are provided with opportunities to contribute ideas on curriculum design and development. The faculty also believes that the Institute provides adequate teaching aids to improve the effectiveness of teaching and are provided with ample learning and research opportunities. For the development of the faculty members, they are encouraged to organize as well as participate in seminars, conferences, workshops etc. The Institute provides excellent infrastructure facilities in terms of class rooms, cubicles, cleanliness, adequate number of washrooms, water resources and safe drinking water.

ACTION TAKEN:

In response to the feedback from the faculty, several steps have been taken for the suggested areas of improvement. Faculty Development Programs are regularly organized for the faculty members for their regular upskilling. Various sessions, seminars and conferences are organized in the Institute which helps in the growth & development of the faculty members. The faculty members have actively participated and presented research papers in various events. The Institute provides excellent learning opportunities to both students and faculties to help shape their careers. The Institute has a well-equipped Library with latest editions of books, journals and other learning resources which is a major source of knowledge & information for the faculty members. Excellent infrastructure facilities are an added advantage.
